

By the Way Bakery is fully committed to ensuring that all products, cakes, decorations, coffees and teas sold in its retail shops are fully kosher.

OK Kosher Certification supervises all baking at the By the Way Bakery commissary kitchen in Pleasantville, New York. The By the Way Bakery commissary produces all of the baked goods sold in all By the Way Bakery retail shops.

Based on periodic site inspections of the stores, whether on weekdays or Shabbat, we are confident that the only baked goods sold in the store are the ones baked in the commissary. We, the Rabbis below, recommend their purchase.
